(*b*) Government Proceedings No. 7974-84—L. F. 94-95 of the 15th January 1897, sanctioning the District Fund Supplemental Budget estimate of the Shimoga district for the year 1896-97.

Read docket No. 613 of the 18th October 1896, from the Executive Engineer, Shimoga division, requesting that Rs. 81 may be credited from the District Funds to the Public Works Department as an additional contribution towards the building of the dispensary at Channagiri for the purpose of meeting the cost of the construction of the cattle-pound, the old pound having been dismantled for locating the new dispensary.

Resolution.—Passed.

Read docket No. 37 of the 14th January 1897, from the Executive Engineer, Shimoga division, forwarding a modified estimate and plan for Rs. 6,471 for completing the road from Malur to Mahishi in the Tirthahalli taluk.

Resolved that the estimate may be countersigned and returned to the Executive Engineer.

Read the Shikarpur taluk Amildar's report No. 48 of the 14th August 1896, forwarding an extract from the proceedings of the Siralkoppa Municipal Board recommending the appointment of a separate midwife for Siralkoppa in addition to the one now stationed in Shikarpur.

Resolved that this matter may lie over, as there is a midwife in the taluk already, and it is not shown that she has too much work.

Read petition of the 8th December 1896, from the residents of Tirthahalli and Mahishi applying for Rs. 1,000 for repairing the steps, &c., of the river at Mahishi.

Resolved that a grant of Rs. 300 from Local Funds General may be made if the estimate sent up by the Amildar is approved by the Executive Engineer as feasible.

Read report No. 286 of the 25th December 1896, from the Deputy Amildar of Kumsi, submitting an estimate for Rs. 36 for constructing a dead house at that place, as the former dead house was destroyed by fire.

Resolution—Passed.

Read petition of the 25th January 1897, from the raiyats of Kerebilchi, Channagiri taluk, requesting that a bridge might be built on the *Kodihalla* of the Sulikere tank, as they experience great difficulty in crossing the *halla* when the kodi is full.

The Board resolved that as this was not an urgent work, it might be taken up on a future occasion when funds are available.

Read petition of the 26th January 1897, from the residents of Santebennur, representing the inconvenience the Government Officers and others are put to for want of a kitchen near the musafirkhana, and soliciting that orders might be given for the construction of two kitchens.

Resolved that as this building is virtually used as an Inspection Lodge by Engineers and Jamabandi Officers, a *pakka* kitchen, &c., may be built from *Provincial* Funds and the Executive Engineer, Shimoga division, requested to provide for this work.

Proposed by the Amildar of Sagar that a care-taker may be appointed for the musafirkhana at Avinhalli in the Sagar taluk at Rs. 5 per mensem.

Resolved, as proposed by the Executive Engineer, that the grants for annual repairs of Ayanur-Honnali and Kumsi-Harnalli roads may be increased from Rs. 50 to Rs. 75 a mile.

Proposed by Mr. Venkatgiri Row, and seconded by Mr. Hema. Hanumanthaiya, and resolved that this Board do place on record its appreciation of the work done by Mr. B. Venkatacharier, Executive Engineer, Shimoga division, as a member of this Board.

Resolved that a provision of Rs. 200 may be made accordingly at Rs. 40 per mile for the Pillengeri-Holehonnur road in the District Fund Budget for 1897-98.

Read and passed the District Fund Budget estimates of receipts and expenditure of the Shimoga Local Fund Circle for 1897-98.

(*b*) Add estimated receipts for 1897-98 ..	87,100	0	0

The following provisions have been made for expenditure during the year 1897-98.

A. Public Works to be executed by Public Works Officers.—
